	61	75	99	109	119
		23% increase	32% increase	10% increase	9% increase
			Overall 63% increase	Overall 78% increase	Overall 95% increase

The number of sports clubs has not increased because we are limited by the number of staff available to run the clubs and days and space available (limit of 2 halls during Winter).

The number of attendees has increased in both school clubs and those run by Premier Sport.

Football, Netball, Hockey and Cricket number of attendees has increased because more year groups are invited.

Diversity of attendees; girls are now attending football, basketball, kwik cricket. Boys are attending Netball.

The variety of sports clubs is extensive and reviewed and changed regularly. We were running Irish Dancing Club for two terms which was popular. Premier Sport ran Fencing Club and Basketball Club for two years. Dodgeball Club is now very popular.

Football Clubs for both Key Stages are regularly oversubscribed – a significant number of children play for Staplehurst Monarchs, the local village football teams (all ages). Gymnastics Clubs for both Key Stages are also very popular.

Also Football for KS1 is very popular.

Premier Sport coaches actively advise parents to encourage gifted and able children to pursue their sporting interests by joining local and county sports clubs. We have quite a few children who play football and cricket at county level.

There has been a significant increase in the number and variety of inter-school tournaments attended by all year groups in KS2.

We implemented the Sports Organising Crew (Year 4-6) children who are leading and organising sporting events for other children.

Tennis and Cricket provision (during school hours) is provided by specialist coaches from a local club.

Swimming Lessons are now all year round, whereas when we had our own pool this was limited to summer term only and weather permitting.

Inspire to Compete after school club was introduced in January 2016 and the children have taken part in Handball, Archery, Rounders and Athletics.

Stay Active Lunchtime Clubs implemented twice per week to encourage children to try sporting activities during the lunch break
