What were your favourite subjects when you were at school?

At school I loved PE although I do remember always getting moaned at by the teachers for taking so long to get changed in and out of my PE kit.

What is your favourite subject to teach?

I enjoy teaching PE, Maths, History and Phonics.

What is your favourite book and why?

My favourite book is The Big Big Sea by Martin Waddell. It is all about a special time between a mother and her daughter, I have 3 daughters so I can relate to it. I also love the illustrations.

What do you like best about teaching at Staplehurst?

The children! I've been teaching at Staplehurst School for many years and have been on more school trips than I can count on both hands. Whenever we are out and about, I always feel proud to be with Staplehurst School children as they are so polite and well behaved.

What did you want to be when you were younger?

I've wanted to be a teacher for as long as I can remember.

What hobbies do you enjoy?

My youngest daughter competes at regional level in Trampolining, so I've developed a love of the sport. (Strictly watching!)

I also love to watch gymnastics.

I also love walking my dog.

What three words would describe you?

Caring, loyal, determined.

If you were on a desert island what two things would you take with you?
