

English

The Lonely Beast and Meerkat Mail

As part of our topic; Big, Wide, World, we will be looking at the Beasts habitat and why the city isn't the best habitat for him. As well as this, we will be reading different postcards from different habitats in Meerkat Mail and creating our own postcard of a habitat of our choice.

Topic

Big, Wide, World

Through our study of Charles Dickens, we will be learning about the train crash he was involved in in Staplehurst and what he did throughout his life. We will also be linking our topic to science and investigating the impact that plastic has on animals and their habitats.

P.E.

This term we will be developing our skills in gymnastics and athletics.

School Value

PRIDE

This terms focus is positivity.

Year 2 Term 1

Where children come first!

Art/DT

The children will be creating art in the style of Piet Mondrian using different textures, lines, colours and shapes.

Maths

We are beginning Year 2 with consolidating important Year 1 objectives like number bonds to 10 and doubling and halving. We will then be focusing on place value up to 100. Through this we will be working out 10 more, 10 less, 1 more and 1 less of two digit numbers. As well as this, we will be representing numbers in different ways e.g. 63 has 6 tens and 3 ones or 5 tens and 13 ones etc.

Science

Habitats

The children will be learning about different animals and their habitats, how each habitat is suited to each animal and how each habitat provides the basic needs for each animal. We will also be creating different animal habitats out of shoe boxes.

PHSE

We will be focusing on acts of kindness and what we can do as acts of kindness around school and our community.
