<p>I am Mr Amos and I will be teaching the current 1U class.</p>	
<p>Mrs Knight, Mrs Bryant, Miss Dunne (1:1), Mrs Ashby (1:1) & Mrs Fuller (1:1) will also be working in the year group.</p>	

What were your favourite subjects when you were at school?

Physical Education as I enjoy moving around all the time and playing lots of different sports, games and activities. I loved playing football at school because I got to make lifelong friends and we were able to work together as a team to achieve our goals.

What is your favourite subject to teach?

PE because it gives you an opportunity to express yourself in different ways. It also allows me to share my passion with you and hope that you develop the same excitement for being physically active as I am.

What is your favourite book and why?

My favourite book is Burglar Bill by Janet and Allan Ahlberg. It is a cheeky, light-hearted story with quirky characters. These combined make it a fun story that I love reading to my class.

What do you like best about teaching at Staplehurst?

The children are the best part of teaching at Staplehurst. It is amazing to get to know so many wonderful children and supporting you on your journey to fulfilling your potential. You all certainly make me laugh every single day and are by far the favourite part of my day.

What did you want to be when you were younger?

When I was younger, I always wanted to be a professional footballer. I would dream every night of becoming a professional footballer for Charlton Athletic and one day playing at The Valley.

What hobbies do you enjoy?

I love mountain biking and enjoy travelling around the country to visit different places to explore. I enjoy exploring places I have never visited before and getting as muddy as possible. Although, I don't enjoy all the washing I have to do after!

I also enjoy travelling around the country to watch Charlton Athletic play football. I have ended up visiting so many different places around the United Kingdom that I never thought I would visit. Unfortunately, the journey home is not usually very fun because we usually lose.

What three words would describe you?

Thoughtful, caring, and creative.

If you were on a desert island what two things would you take with you?

I would take a piano with me. I have always wanted to learn how to play the piano. Being stuck on a desert island would mean that nobody would have to suffer listening to the horrendous noise being made as I try to learn how to play the piano. I think I would need lots of practise.

I would also take a thousand packets of bourbon biscuits with me. I love eating bourbon biscuits and I could sit on the beach front watching the sunset with a never-ending supply of my favourite biscuits to eat!
