

### Teacher Passport: Mrs Farrell

I am **Mrs Farrell** and I will be teaching the current 3S class in September - I cannot wait!

We will be the new **4F** Class.

Our class is named after **Ben Whishaw**.

**Mrs Wye, Ms De Coriolis, Ms Kamat and Mrs Fuller** will also be working in the year group.

### What were your favourite subjects when you were at school?

My favourite subject was art. I particularly enjoyed making collages and sculptures. I always enjoyed the homework that was set during art lessons too. I used to draw or paint for hours at home (whilst listening to my favourite music) which was a lovely way to spend part of the weekend.

### What is your favourite subject to teach?

My favourite subjects to teach are maths and creative writing – I am particularly excited to read your stories!

### What is your favourite book and why?

'The Haunting of Aveline Jones'. This was our Class Text in Year 6 last year and I thoroughly enjoyed reading it. It is full of suspense and it contains incredible descriptions.

### What do you like best about teaching at Staplehurst?

I love the community feel in Staplehurst and the fact that children always come first. I also thoroughly enjoy running dance club after school. We had a lot of fun during dance club this year whilst creating a routine for the end-of-year production: School of Rock!

### What did you want to be when you were younger?

When I was younger, I wanted to be a weather presenter on television. I used to draw my own map of Great Britain and would present the weather to my toys.

**What hobbies do you enjoy?**

Dancing is my favourite hobby – I love dancing! I used to take classes every week as a child. I also enjoy yoga, reading and kayaking. I have an inflatable kayak which I often take to the River Medway.

**What three words would describe you?**

Enthusiastic, caring and positive.

**If you were on a desert island what two things would you take with you?**

My scrapbook as I love looking through photos of happy memories. I would also take my pet tortoise. His name is Crusher which makes him sound quite large and menacing, but really he is timid and tiny!

**Photographs of the classroom area.**
