

English

The Emperor's Egg by Martin Jenkins
Pattan's Pumpkin by Chitra Soundar

By reading, interpreting and understanding the texts we will be:

- Writing a fact file about Emperor Penguins.
- Using time openers and conjunctions 'and' 'but' 'so' and 'because'.
- Writing an adventure narrative based on a known story.
- Learning and using suffixes for words (s, es, est, er)

Geography

By answering the question 'What are hot and cold places like?'

We will be learning:

- To name the 7 continents and 5 oceans.
- The points of a compass, where the equator is and where polar regions are.
- How the Arctic and Antarctic compare
- What hot places are like to live in

P.E.

This term the children will be learning about control and movement

We will be :

- Practicing running, starting in a ready position and learning techniques to run faster in a straight line.
- Practicing long jump from a standing start, using our arms to move us forward, landing with our knees bent.
- Learning about other athletics activities in preparation for sports day.

DT

This term in D.T we are learning how to strengthen a free-standing structure. We will be:

- Investigating homes from around the world
- Exploring ways to make a structure more stable to prevent them from falling over
- Using different joining and stiffening techniques

School Value - Excellence

We will be learning how to show excellence in our behaviour, in our work and in our presentation.

Where Children Come First

PSHE

This term the children are learning about economic wellbeing. We will be:

- Learning what money is and how to keep it safe
- Discussing how we can spend and save money
- Exploring jobs in school

Maths

Multiplication and Division

We will learn:

- to count in 2s,5s and 10s
- to recognise and add equal groups
- to make arrays
- to share equally

Mass and Volume

We will learn:

- to measure and compare mass
- to compare and measure capacity
- to compare volume

Computing

This term we will be using spreadsheets and will learn:

- What a spreadsheet looks like,
- how to navigate around a spread sheet and enter data,
- The new vocabulary related to spreadsheets,
- To use the 'count' tools in 2Calculate to count items.

We will also be looking a pictograms and will be:

- understanding that data can be represented in picture format,
- contributing to a class pictogram
- using a pictogram to record the results of an experiment.

Religious Education

This term we will be answering the question 'What is the Hajj? We will focus on:

What is a pilgrimage?

What do Muslims do on Hajj?

Who helps with the Hajj?

What happens inside a Mosque?

Science

This term we are answering the question 'What are hot and cold places like? ' To answer this, we will:

- Learn about the four seasons
- Explore precipitation and how it's measured
- Investigate temperature
- Recognise how the lengths of day vary across the year
